

Good afternoon Ronnie

I hope you are well.

Can I ask you to complete and return the attached Sustainability Checklists for the planning file and can I also ask if you could provide a brief statement addressing NPF4 Policy 30(b) below:

“Proposals for tourism related development will take into account:

- i. The contribution made to the local economy;*
- ii. Compatibility with the surrounding area in terms of the nature and scale of the activity and impacts of increased visitors;*
- iii. Impacts on communities, for example by hindering the provision of homes and services for local people;*
- iv. Opportunities for sustainable travel and appropriate management of parking and traffic generation and scope for sustaining public transport services particularly in rural areas;*
- v. Accessibility for disabled people;*
- vi. Measures taken to minimise carbon emissions;*
- vii. Opportunities to provide access to the natural environment”.*

Many thanks

Fiona
