

Hi Oliver

That date suits both myself and the agent.

Please let me what time you would like us to meet with you at the sites.

Best wishes,

Fiona

Fiona,

Please accept my apologies for not having been in touch sooner. There are a few too many moving parts to consider at the moment.

I could potentially make a site meeting during the morning of Tuesday 03 June, if that was a possibility?

Regards,

Hi Oliver

Thanks for coming back to me.

I can change my week and do a Friday if that works best for you given the distance you have to travel.

Best wishes

Fiona

Fiona,

Thank you for your patience in awaiting a response from me on this. It is a busy time of year with Easter holidays and I have been struggling to find a readily suitable date; Fridays are usually my easiest date for site visits but I appreciate these don't work for you, so I am looking at alternatives.

So, just a heads up that I haven't forgotten about this, and that I will have a concerted effort next week to find a date.

Regards,

Good afternoon Oliver

I trust that this e-mail finds you well.

I refer to your consultation responses of 13 January 2025 to the above applications currently with the Planning Service for consideration.

The agent has requested that I arrange a meeting on site with all parties to discuss the concerns that HES have with the proposals. I would therefore be grateful if you could provide some suitable dates to meet on site and discuss the proposals. My working week is Monday – Thursday.

I look forward to hearing from you.

Kind regards,

**Fiona Scott**
